For 31 years, Dickerson Children's Advocacy Center has been on the front lines in the fight for child abuse survivors to heal and thrive by launching a rapid response team of professionals dedicated to their overall well-being. Their care includes advocacy, specialized forensic interviews, medical exams, and mental health therapy for more than 700 children annually. In 2024, we cared for 1,065 children, reflecting a 56% increase from 2023 and a 93% increase from 2022.

Enclosed is a list of sponsorship opportunities with details and attractive benefits at every level. For additional information please contact Haley Shealy at 803-331-4954 or [hshealy@dickersoncac.org](mailto:hshealy@dickersoncac.org)
